

KEERTHANA P

Bengaluru, Karnataka | +91 9019388061 | keerthanaaprabhakar@gmail.com

PROFESSIONAL SUMMARY

Final-year Information Science and Engineering student with a strong foundation in programming, software development, data structures, databases, and web technologies. Proficient in Python, Java, SQL, HTML, CSS, JavaScript, Git, and GitHub, with hands-on experience in academic and personal projects. Familiar with artificial intelligence and machine learning concepts, object-oriented programming, and problem-solving techniques. A quick learner with strong analytical thinking, communication, teamwork, and adaptability, committed to continuous learning and contributing effectively in a collaborative and growth-oriented environment.

EDUCATION

Atria Institute of Technology, Bengaluru
B.Tech - Information Science & Engineering

2023 -- 2027

FEATURED PROJECTS

AI-Powered Question Paper Generator

- Developed an automated system to generate university-level question papers based on predefined criteria such as subject, marks distribution, and question type
- Designed and managed a structured database using SQL to store and retrieve questions efficiently.
- Implemented the application using Python to ensure randomization, accuracy, and balanced paper patterns.

AI Resume Analyzer

- Developed an AI-powered resume analyzer using Python to automate resume parsing and extract key candidate information, including skills, education, projects, and work experience.
- Improved resume evaluation efficiency by generating structured insights through automated text extraction and keyword analysis, enabling faster and more accurate candidate assessment.

TECHNICAL SKILLS

Languages: Java, Python, SQL, JavaScript

Web & Backend: React.js, Node.js, Express.js, Flask, FastAPI, HTML, CSS, REST APIs

Databases: MongoDB, MySQL

AI & Data: Pandas, NumPy, Scikit-learn, PyTorch, Matplotlib

Tools: Git, GitHub, VS Code, PyCharm, Google Cloud Platform

CERTIFICATIONS

- Python for Data Science – IBM Developer Skills
- Infosys Virtual Internship
- Software Engineering and Agile Software Development – Infosys Springboard
- Database Management System – Infosys Springboard
